RE: Book Signing Event

ADARA is excited about our upcoming 2022 conference entitled Soaring to New Heights at Hotel Albuquerque at Old Town. Albuquerque is the hot air balloon capital of the world and annually holds international competitions where a minimum of 700 hot air balloons come to compete. This city is an ideal setting for our esteemed colleagues in the vocational rehabilitation and behavioral health fields to gather and honor ADARA's past and well as prepare for our future.

ADARA is a national organization whose mission is to facilitate excellence in human service delivery with individuals who are Deaf, Hard of Hearing, and DeafBlind. This mission is accomplished by enhancing the professional competencies of the membership, expanding opportunities for networking among ADARA colleagues, and supporting positive public policies for individuals who are Deaf, Hard of Hearing, and DeafBlind.

As part of the conference, ADARA will have a book signing event, and is inviting authors who have written books in areas of interest to the attendees. **There is no charge to authors for participating in this event.** At the signings, we would offer attendees the opportunity to purchase books, and have them signed by the author. The book signing event will be held on the evening of Wednesday, March 16th. We will be sharing more specific information soon.

We would love to have you or your colleagues, participate in this event. If you would like more information, or to discuss the book signing event, you can contact me at [deb.guthmann@adara.org](mailto:deb.guthmann@adara.org).

Thank you very much for your consideration.  
Sincerely,

Deb Guthmann, Ed.D.  
ADARA Vice President
